

# 2025 RESERVATION DRAW INFORMATION

## **Monthly Reservation Draw for rental of non-permanent sites.**

Stay one month or longer - submit an application for random draw to take place in late April. The draw allows campers renting for one month or longer to have priority choice of campsites before general reservations begin on May 1<sup>st</sup>. Draw applicants **are not guaranteed** a site – the draw only determines the order for choice of a campsite.

If interested in the draw, please see the next page for details and complete the application *Reservation Form – Monthly* on page 3.

You may submit this completed form by email to [info@wakawlakerp.ca](mailto:info@wakawlakerp.ca) or by mail to Box 730, Wakaw, SK, S0K 4P0. If you do not know your preferred campsite, we will help you choose one when we call you after the draw. **DO NOT PROVIDE CREDIT CARD INFORMATION UNTIL YOU ARE CALLED AND HAVE CONFIRMED SITE SELECTION.**

## Monthly Camping Draw

**This draw makes it possible for customers who wish to reserve a campsite for a period of one month (30 days) or greater to reserve a site prior to the May 1 opening of the park.** Monthly campsites can still be reserved upon the opening of the park at 8:00 am on May 1<sup>st</sup> but the selection will be limited.

The Draw has the advantages of relieving some of the congestion at the gate on May 1; providing a fair system of assigning sites for those who are unable to attend at the gate on May 1; accommodating better choice of sites for those who are seeking a long stay in the park.

The elements of this monthly draw system are as follows:

**Reservation requests will be accepted at any time prior to 5:00 pm. MONDAY, APRIL 7, 2025.** A reservation request form is available at the front gate prior to Park closing September 30. The updated form will be available on our website after January 1, 2025 at [www.wakawlakeregionalpark.ca](http://www.wakawlakeregionalpark.ca)

Following April 7<sup>th</sup> all requests will be opened and sorted into four categories by duration of stay requested.

- A. *Four to five months (121 to 150 days)*
- B. *Three to four months (91 to 120 days)*
- C. *Two to three months (61 to 90 days)*
- D. *One to two months (30 to 60 days)*

Reservation requests will be selected by blind draw from each of the four categories, starting with category A. *Four to five months*. Requests will be marked in order of the draw and bookings will occur in that order. Once booking is completed in category A, requests will be drawn from category B, and so on to finish with Category D.

Each request should contain necessary telephone numbers to ensure contact when booking. If we are not able to contact someone in the order of the draw, we will proceed with booking the next person in order and try back again later.

In the situation where you change your mind and want fewer days than applied for, your application will be returned to the appropriate group and drawn at that time.

Please be aware that if you are booked for a longer stay than you intend to use and pull out early during the summer, we reserve the right to reject your application for the following years draw.

Also, please note that it will take some time to process the requests following the draw. In 2025, we anticipate contacting entries from Categories A & B starting on April 11, 2025 and entries from categories C & D on or before April 13, 2025.

If you have any questions, please contact the Park Administrator by email: [info@wakawlakerp.ca](mailto:info@wakawlakerp.ca)

**\*NOTE\* Water and sewer service is dependent on weather conditions and is not guaranteed to be available on May 1<sup>st</sup>. (usually available by mid-May). Power will be available on May 1<sup>st</sup>.**
